AUDITORS' REPORT

Bank of Commerce Building,
Simcoe, Ontario,
January 21, 1953.

To the Warden and Councillors of
The Corporation of the County of Norfolk:

We have audited the books and accounts of the Corporation of the County of Norfolk for the fiscal year ending December 31, 1952, and have prepared statements as follows:

STATEMENT 1—Balance Sheet—Current Account

STATEMENT 2—Balance Sheet—Capital Account

STATEMENT 3—Current Account Surplus Details

STATEMENT 4—Revenue Account

Schedule 1—Details of Expenditure

STATEMENT 5—Statement of Insurance Policies in Force
including Surety Bonds on Officials

In connection therewith, we report that we have obtained all the information and explanations we have required, that, in our opinion, subject to the following comments, the transactions that have come under our notice have been within the powers of the Municipality, that, the balance sheet and related revenue accounts are properly drawn up to exhibit a true and correct view of the state of affairs of the Corporation of the County of Norfolk as at December 31, 1952, and of the results of operations for the year then ended according to the best of our information, the explanations given to us and as shown by the books. In our opinion, we have complied with rules respecting municipal audits as prescribed by the Department of Municipal Affairs.

Accounts Receivable and Accounts Payable are included in the attached statements on the basis of information supplied to us by County officials and have not otherwise been verified by us.

Operations for the year 1952 have resulted in a surplus of \$37,-675.52 after the transfer of \$3,044.65 from surplus to revenue. This operating surplus as compared with budget estimates arises as follows:

Actual Expenditures less Than Estimated:

Roads	\$ 7249 21
Administration of Justice	21901 93
Agriculture	219 39
General Administration	6847 13
Charity and Welfare	1457 86
	<hr/> \$ 37675 52

Extraordinary items contributing to the above surplus are as follows:

1. A substantial saving in bank interest resulted from utilizing the proceeds of the sale of hospital debentures for current financing—Decreased costs from budget \$4,508.66.
2. During 1952, the Department of Highways of Ontario authorized subsidy of 50% of 75% of all costs of the county police force for 1951 and 1952—Increased revenues from budget \$8,122.82.
3. Road Department final expenditures excluding the above were \$14,867.85 less than budgeted which after deducting the applicable subsidy resulted in a saving of \$7,433.93.
4. No provision was made in the budget for the 30% additional road subsidy applicable to bridges and culverts estimated to realize \$7,938.16.
